Notice No.IIE-49/2023- 3703/OSSC;

Date: 11.09.2024

**Subject: Notice regarding hold up of declaration of result of Junior MVI and Tracer under CTSRE-2023 (Advt. No.4812/OSSC Dtd. 08.12.2023).**

The Certificate Verification for the post of Junior MVI and Tracer was conducted on 30.08.2024. However, the publication of final result for both the posts are held up since many Junior MVI candidates have given option for the post of J.E.(Mechanical). Similarly, most Tracer candidates have also given option for the post of J.E. (Civil). Hence the result of all these posts will take time since the Examination for the post of J.E(Civil) and J.E.(Mechanical) has not yet made progress, as matter is being litigated in Hon'ble Court.
